ORDER:

In the Government order first read above, the Government have instituted the Chief Minister's Award for excellence in e-Governance for Government Departments under the following three categories;

1. Excellence in Government Process Re-engineering
2. Outstanding Performance in Citizen Centric Service Delivery through Innovative Use of Technology
3. District level e-Governance Initiative

2. In the Government order second read above, the Government have instituted the Chief Minister's Award for excellence in e-Governance for students. These awards have been instituted to recognize and encourage the departments which strive towards delivering services to citizens through e-governance and to create an awareness on e-Governance among the youth, students and e-Governance enthusiasts. A competition is also being planned to be conducted for development of innovative e-Governance software applications every year.

3. An on-line portal would be developed for this purpose which would be a knowledge-base for departments which strive to deliver services to citizens through e-Governance, and a knowledge-base to create awareness on e-Governance among the youth, students and e-Governance enthusiasts. The features of the Online Award Monitoring System include an online platform for conducting competition for development of innovative e-Governance Software Applications, including Participant Registration and User Management, Online Nominations, Showcasing of Applications, Links to Online Demo of submitted Applications, Monitoring of Applications, Evaluation, Communication with Participants (individuals and mailing lists), Announcements of Results, Archiving of Results, Repository of e-Governance Applications for future reference, Search facility throughout the Portal, in Tamil and English, meeting published e-gov standards for the Government.

4. The software Online Award Monitoring System is to be developed and the same would be hosted in the Cloud environment at the State Data Centre, Chennai. The cost details are as detailed below:

(Rs. In lakhs)		
1	Cost for Development of Online Award Monitoring System. (Non-recurring)	9.00
2	Operations and Maintenance Cost (Recurring) and Hosting the software in the Cloud environment at the State Data Centre. (Recurring)	6.00
