From the Chief Executive Officer, Tamil Nadu e-Governance Agency,
Letter No. 4201/TNeGA/SeMT/2014, dated 25th August 2014.

ORDER:

ORDER: The core components of IT Infrastructure like State Wide Area Network (SWAN), State Data Centre (SDC), State Services Delivery Gateway (SSDG), e-District, Common Service Centre (CSC), etc., have already been implemented under the National e-Governance Plan (NeGP). Different departments have started utilising the IT Infrastructure and many online applications have been hosted at TNSDC and accessed through TNSWAN. Therefore it is very essential to monitor the Key Performance Indicators (KPIs) like utilisation of Hardware, Network resources etc., for planning and maintenance.

2. During the Assembly Session 2014-15, Hon'ble Minister (IT) has made an announcement that an Online Business Intelligence (BI) Solution for Key Performance Indicator (KPI) analysis at TNSWAN and TNSDC will be implemented at a cost of Rs. 23.00 lakhs.

3. In the letter cited above, the Chief Executive Officer, Tamil Nadu e-Governance Agency (TNEGA) has stated that the Servers and Applications hosted in the State Data Centre (SDC) generate huge logs, alerts and notifications that need to be analyzed against Key Performance Indicators (KPIs) for important citizen centric applications of different Departments. It is necessary to monitor these KPIs on a continuous basis for quick decision-making and planning of corrective and preventive measures to serve the citizens effectively through e-Governance.

4. In order to monitor the different KPIs like CPU utilization, memory utilization, network bandwidth, availability, recoverability, planned and unplanned downtime, catastrophic failures, errors, incidences, alerts, etc., the CEO, TNEGA has proposed to implement an Online Business Intelligence (BI) Solution for Key Performance Indicator (KPI) analysis at TNSWAN and TNSOC at a cost of Rs.23.00 lakhs as detailed below:

Description	Cost in Rs.
Software development	Rs.15.00 lakhs (non recurring)
Operations and Maintenance for one year including hosting the application in the Government's Cloud Environment.	Rs.8.00 lakhs (recurring)
Total	Rs.23.00 lakhs

(Rupees twenty three lakhs only)

5. An ultimate cost of Rs.23,00,000/- (Rupees twenty three lakhs only) under Part-II Schemes for the year 2014-15 has been recommended by the State Planning Commission (SPC). The Standing Finance Committee (SFC) has approved the Scheme under Part-II Schemes 2014-15 and a sum of Rs.23,00,000/- (Rupees twenty three lakhs only) has been provided in BE 2014-15 for implementing the Scheme.

6. The Government after careful examination of the above proposal, hereby sanction a sum of Rs.23,00,000/- (Rupees twenty three lakhs only) under Part II Schemes 2014-15 to Tamil Nadu e-Governance Agency for implementation of an Online Business Intelligence (BI) Solution for Key Performance Indicator (KPI) analysis at TNSWAN and TNSDC.

7. The expenditure sanctioned in para 6 above shall be debited to the following head of account :

2852.Industries-07. Telecommunication and Electronic Industries-800.
Other Expenditure-Schemes in the twelfth five year plan-II, State Plan-
JK. Capacity Building Scheme under National e-Governance Action
Plan (NeGAP)-09. Grants-In-Aid-03. Grants for specific schemes.
(DPC: 2852 07 800 JK 0933)

8. The Section Officer (Bills), Information Technology Department is authorised to draw and disburse the amount sanctioned in para 6 above to the Chief Executive Officer, Tamil Nadu e- Governance Agency, Chennai by means of a cheque under proper acknowledgement.

9. The Chief Executive Officer, Tamil Nadu e- Governance Agency is requested to send the physical and financial progress report of the scheme every month to the Secretary, Information Technology Department along with the details of expenditure and Utilisation Certificate. Unspent amount, if any, should be remitted into Government account.
