From the Chief Executive Officer, Tamil Nadu e-Governance Agency (TNeGA), Letter No.4318/TNeGA/SeMT/2014, dated 19.09.2014.

ORDER:

While moving the Demand 2014-15 in the Tamil Nadu Legislative Assembly during the Information Technology Department Demand 2014-15 among other Announcements, the Hon'ble Minister for Information Technology has announced the Implementation of Cloud-based Asset Management.

2. Based on the above Announcement, Chief Executive Officer (CEO), Tamil Nadu e-Governance Agency (TNeGA) has sent a proposal to Government requesting to sanction a total grant of Rs. 30 Lakhs for the implementation of 'Cloud-based Asset Management'.

3. In the letter read above, The Chief Executive Officer, Tamil Nadu e-Governance Agency has stated that the Government Departments have a growing need to manage their current assets including IT and Non-IT inventory which need to be allotted for use, maintained and replenished based on the requirements of the Department. In order to effectively manage the assets and to utilize them for the benefit of the Department and the public, a Cloud based Asset Management Solution is proposed to be implemented for various Departments to manage their current assets centrally with Role-Based Access Control (RBAC) and would be accessible over the Internet, which will ensure that asset inventories are managed properly.

4. The Chief Executive Officer, Tamil Nadu e-Governance Agency has further stated that the Cloud-based Asset Management System shall be implemented with following features:

- Detailed (multi-level) categorization of IT and Non-IT Assets with specific parameters / fields for each Category / Sub-category in addition to the generalized mandatory fields.
- Capture of asset details including mandatory parameters such as Unique Asset ID / Serial No., Date of Procurement, Vendor Details, Date of Expiry of Warranty, Date and Location of Installation, Official in-charge with Contact Details.
- Capture of Maintenance Schedules with automated reminder system to the concerned officials.
- Capture of Log of Movements, Re-Installations, Repairs, Scheduled / Unscheduled Maintenance, Incidences (such as Theft / Accidents / Mishandling, etc.) and Costs.
- Provision to capture Inspection and Audit Remarks with capture of images and logging of observations with action points, if any, setting appropriate flags as required.
- Provision to record standards, guidelines, quality compliance to refer for future procurement.
- Top-level tracking and reporting features with filters.
- Administration of different modules including User Access Management.

5. The Chief Executive Officer, Tamil Nadu e-Governance Agency has stated that the System is to be developed at a cost of Rs.30 lakhs as detailed below:

Development of Application Software	Rs.15 lakhs
Cloud Hosting Solution (Recurring Annually)	Rs.10 lakhs
Training for User Departments (Recurring Annually)	Rs. 2 lakhs
Administrative Costs and Contingencies (Recurring Annually)	Rs. 3 lakhs
Total	Rs. 30 Lakhs

6. The Government after careful examination of the proposal of Chief Executive Officer, Tamil Nadu e-Governance Agency accord sanction for a sum of Rs. 25.00 Lakhs (Rupees twenty five lakhs only) for Development of Application Software, Cloud Hosting solution and Training cost for Implementation of Cloud-based Asset Management with the condition of implementation of above solution/Software to be hosted in State Data Centre of ELCOT.
