

ABSTRACT

Information Technology Department -- Part II scheme for the year 2010-11 -- Creation of Standard Geographical Information System (GIS) platform in the State -- Sanction of expenditure Rs.43.50 lakhs -- Orders -- Issued.

Information Technology (OP) Department

G.O.(Ms) No.31

Dated : 02.07.2010

Read:

- 1) From the CEO, TNeGA, Chennai-35, letter Rc.No.70/TNeGA/2009, dated: 26.11.2009.
- 2) From the Deputy Secretary to Government, Finance (BG.II) Department, Letter No.4517/BG-II/2010-1, dated: 21.4.2010.

ORDER:

The Geographical Information System (GIS) is a tool for managing, analyzing, decision making by seamlessly combining both spatial and non-spatial data. In Tamil Nadu, a vast spatial data have been generated through GIS projects undertaken by several projects like Education, Water resources, Public Works, Watershed development, Remote Sensing, Forest, Land Use patterns, etc. The basic issue in these projects are to utilize huge volume of existing data sets for decision making process. Different Agencies are developing GIS on different platform leading to inability to scale up and is also not cost effective. One more issue is the source data variation that leads to Spatial / locational inaccuracy of information and mismatch data. The other constraint in data usage is updation of data over time, use of appropriate tools (proprietary versus open source tools) in managing the data source. Hence the project Tamil Nadu Geographical Information System (TNGIS) is conceived with an ultimate objective to create generic model of GIS and to easily integrate with available data sets. This will set uniform GIS platform for our State.

2. The State Level Coordination Committee is functioning under the Chairmanship of the Chief Secretary to Government to streamline the functions of various remote sensing and GIS activities and judicious utilization of funds in purchase of satellite data, equipments, etc. In this regard, a series of meetings held with the Academia, User Departments, Information Technology Department and Tamil Nadu e-Governance Agency. The key outcomes are given below:

a. The Tamil Nadu e-Governance Agency will act as the coordinator for this project. The Survey of India maps can be procured by Tamil Nadu e-Governance Agency for the State. The Tamil Nadu e-Governance Agency will maintain repository of the maps.

b. The National code of National Spatial data Infrastructure (NSDI) has to be followed in Tamil Nadu State Spatial Data Infrastructure (TN SSDI). The NIC will host the coding pattern in the Tamil Nadu Government website and inform the user departments. The coordination among various directorates of departments is very much important in implementation of project.

c. The following resource departments were identified for drawing a standard set of instructions on implementation of TNGIS.

- *Department of Forests
- *Tamil Nadu Water Supply and Drainage Board
- *Agriculture Engineering Department
- *Institute of Water Studies, PWD
- *Directorate of Municipal Administration
- *State Ground Water and Surface Water Resources Data Centre PWD
- *Institute of Remote Sensing, Anna University
- *Madurai Kamaraj University
- *Bharathidasan University

d. The NIC shall coordinate the work with the resource departments for drawing standard set of instructions and TNGIS development.

3. As there is a huge task involved in standardizing the GIS platform and migration of the existing initiatives done by the individual departments, which requires a huge funding for the standardization, GIS development, State Level infrastructure creation and migration. The GIS maps with multuser facility would be procured by Tamil Nadu Road Sector Project. The Chief Executive Officer, Tamil Nadu e-Governance Agency in his letter first read above has reported that the following is the immediate requirement for the TNGIS project, which aims to create the standard GIS platform in the State

Sl. No.	Description of Item	Amount (Rs. in lakhs)
1.	Hosting Server hardware in the Data Centre	20.50
2.	TNGIS development system hardware	23.00
TOTAL		43.50

4. The Government after careful consideration sanction an expenditure of Rs.43,50,000/- (Rupees forty three lakhs and fifty thousand only) towards supply of the items mentioned at para 3 above under Part II Scheme for the year 2010-11.

-3-

355

5. The expenditure sanctioned in para 4 above shall be debited to the following head of account:

"2220 Information and Publicity - 60.Others -001. Direction and Administration / Non plan- AB. Directorate of e-Governance - 09. Grants-In-Aid - 03. Grants for specific schemes (DPC 2220 60 001 AB 0933)"

6. The Section Officer, Information Technology (Bills) Department is authorized to draw and disburse amount sanctioned in paragraph 3 above to the Chief Executive Officer, Tamil Nadu e-Governance Agency, Chennai-35 by means of a crossed cheque. The Chief Executive Officer, Tamil Nadu e-Governance Agency is requested to procure and supply the items mentioned in paragraph 4 above, immediately.

7. This order issues with the concurrence of Finance (Ind) Department, vide its U.O.No.35131/Fin(Ind)/2010, Dated 30.06.2010.

(By order of the Governor)

P.W.C.DAVIDAR,
Principal Secretary to Government.
