

Abstract

Information Technology Department – Chief Minister's Award for Excellence in e-Governance for Government Departments – Orders issued.

Information Technology (e-Gov.II) Department

G.O. (Ms) No. 3

Dated: 18.01.2012

Read:

The e-Mail received from the Deputy Manager (e-Gov.), ELCOT, office of Tamil Nadu e-Governance Agency dated 16.09.2011.

Order:

The Government of Tamil Nadu has a great vision on transforming the way the Government Services are delivered to the Citizen. Instead of **"people approaching the Government"**, Hon'ble Chief Minister has envisaged a situation where **"Government reaches the People"**. Taking cognizance of the vision of the Hon'ble Chief Minister, the Hon'ble Minister for Information Technology, while moving the demand No.31, for the year 2011-2012, among other things, has announced that

Government of Tamil Nadu has envisioned that all Government Services are to be delivered to Citizens at their doorsteps. All Departments should strive hard to deliver all their services to Citizens through e-Governance. As a mark of recognition and encouragement, the departments which strive towards this task successfully will be awarded with the "Chief Minister's Award for Excellence in e-Governance" every year.

2. Based on the above announcement, the Office of the Chief Executive Officer, Tamil Nadu e-Governance Agency has submitted proposal in the reference read above.

3. The Government after detailed examination and careful scrutiny of the proposal of the Chief Executive Officer, Tamil Nadu e-Governance Agency has decided to institute the following Awards:

1. Excellence in Government Process Re-engineering
2. Outstanding Performance in Citizen Centric Service Delivery through Innovative Use of Technology
3. District level e-Governance Initiative.

(i) **The objectives of the Award:**

Chief Minister's Awards for Excellence in e-Governance for Government Departments is to:

- ◆ Recognize achievements in the area of e-Governance in the State.
- ◆ Disseminate knowledge on effective methods of designing and implementing sustainable e-Governance initiatives.
- ◆ Encourage horizontal transfer of successful e-Governance solutions.
- ◆ Promote and exchange experiences in solving problems, mitigating risks, resolving issues and planning for success.

(ii) **Categories for distribution of the Award:**

(a) **Excellence in Government Process Re-engineering**

This award seeks to recognize the best-in-class projects that involved analysis and re-design of workflow and aimed at improvement in outcomes related to efficiency, effectiveness of process, cost, quality, service delivery or a combination of these.

(b) **Outstanding Performance in Citizen Centric Service Delivery through Innovative Use of Technology**

This award seeks to recognize the projects aimed at delivering enhanced value to its beneficiaries through effective use of ICT, path-breaking ICT or innovative use of an existing ICT.

(c) **District level e-Governance Initiative**

This award seeks to encourage district level e-Governance initiatives in the State. These best practices may be replicated in the other Districts as well.

(iii) **Eligibility Criteria for the Award:**

The General eligibility Criteria for the proposed award shall be that all initiatives nominated should have been operational for a period of at-least 6 months and the award specific criteria shall be
