Information Technology (e-Gov.II) Department

G.O. (Ms.) No. 5

Dated : 30.01.2012

Read :

The e-mail received from the Deputy Manager (e-Gov.), ELCOT, office of Tamil Nadu e-Governance Agency dated 16.09.2011.

Order:

The Government of Tamil Nadu has envisioned that all Government services are made available to the common man in his locality through common service delivery outlets with efficiency, transparency and reliability. The futuristic vision of Government is to transform the present style of Governance and to adopt the Global Best Practices and to make our Society an empowered Society. As the Student Community and youth are the future of our Society, it was felt indispensable to create an awareness on e-Governance among the youth, students and e-Governance enthusiasts.

2. Taking cognizance of the Vision of Hon'ble Chief Minister, the Minister for Information Technology, while moving the demand No.31 for the year 2011-2012, among other things has announced that

"In order to create an awareness on e-Governance among the youth, students and e-Governance enthusiasts, a competition for development of innovative e-Governance software applications shall be held every year and the winners shall be honoured with the "Chief Minister's Award for Excellence in e-Governance" every year.

3. In the reference read above, a proposal from the office of the Chief Executive Officer, Tamil Nadu e-Governance Agency has been received for instituting the "Chief Minister's Award for Excellence in e-Governance" for Youth, Students and e-Governance enthusiasts and examined in detail.

4. Based on the above announcement and the proposal received from the office of the Chief Executive Officer, Tamil Nadu e-Governance Agency, the Government has decided to institute an award each for the following three categories every year through a State Level Competition:-
