INFORMATION TECHNOLOGY (E.Gov.I) DEPARTMENT

G.O.Ms.No.5

Date:28.2.2014

வினாய, மாசி-16

திருவள்ளூர் ஆண்டு-2045

Read:

From the Chief Executive Officer, Tamil Nadu e-Governance Agency, Letter No.2445/TNeGA/2013, dated 26.06.2013.

ORDER:

While moving the demand No.31 in the Tamil Nadu Legislative Assembly in respect of Information Technology Department for the year 2013-14, among other things, the Hon'ble Minister for Information Technology has made the following announcement of SMS Based Service Tracking:-

“அரசுத் துறைகள் மின் ஆளுமை சேவைகளை மக்களுக்கு வழங்கி வருகின்றன. தமிழ்நாட்டில் கைப்பேசி பயன்படுத்துவோரின் எண்ணிக்கை அதிகரித்து வருவதால் அரசு சேவைகளை கைப்பேசியின் வாயிலாகவும் வழங்குவதன் அவசியம் ஏற்பட்டுள்ளது. பொது மக்களுக்கு தகவல்களை அனுப்பவும், அவர்களிடமிருந்து தேவையான தகவல்களை பெறவும் குறுந்தகவல் சார்ந்த இரு வழி தகவல் தொடர்பு நிலை அறியும் வசதி ஒன்று ஏற்படுத்தப்படும். இதன் மூலம் அரசின் சேவைகளை பொதுமக்களின் இல்லங்களுக்கே நேரடியாக கொண்டு செல்ல இயலும்.”

2. Based on the above, the Chief Executive Officer, Tamil Nadu e-Governance Agency has sent a proposal at a total cost of Rs.1.205 Crores and requested to accord administrative approval for the project. Some of the salient features of the proposal sent by the Chief Executive Officer, Tamil Nadu e-Governance Agency are explained as follows:-

- i) The Government of Tamil Nadu is providing various e-Governance services to its citizens. The use of mobile phones among citizens in Tamil Nadu has considerably increased and as a matter of fact the mobile phones penetration exceeds internet penetration, it has become inevitable to offer delivery of services through Mobile devices to Citizens.

- ii) At present the services of Revenue, Social Welfare, Adi Dravidar and Tribal Welfare and Backward Classes, Most Backward Classes and Minorities Welfare Departments are offered through e-District portal. It is proposed to integrate an **"SMS Based Service Tracking"** facility into the existing e-district application developed by National Informatics Centre, Chennai which offers services of various Departments.
- iii) This **"SMS Based Service Tracking"** facility enables the citizens to know the status of their application. This will be a two way communication between the Government and the citizen i.e. an SMS will be sent as and when a citizen registers for a particular service in the e-District Portal. Likewise, if the citizen wants to know the status of the application, he/she can send an SMS to an unique 5 or 6 digit premium Short code Service number (eg: 5xxxx) along with the Citizen Application Number (CAN) ID and application number to know the status of his/her request. The proposed "SMS Based Tracking" facility in the e-district application receives the application number from the Citizen, queries the database and fetches the current status and transmits back to the citizen.
- iv) This SMS facility will be offered to citizen on chargeable basis by the service provider.
- v) In future, as and when any new services are added to the e-district portal, those services will have inbuilt "SMS Based Service Tracking" facility.
- vi) List of services covered under SMS Based Service Tracking facility through e-district Portal:

Sl No	Category	List of Services
PHASE-I		
1	Revenue Services (Online Certificates)	No Graduate Certificate
2		Deserted Women Certificate
3		Income Certificate
4		Nativity Certificate
5		Community Certificate

6	Social Services Welfare	Moovalar Ramamirtham Ammaiyar Ninaivu Marriage Assistance Scheme
7		EVR Maniammiyar Ninaivu Widow Daughter Marriage Assistance Scheme
8		Dr Dharmambal Ammaiyar Ninaivu Widow Remarriage Scheme
9		Annai Teresa Ninaivu Orphan Girls Marriage Assistance Scheme
10		Dr.Muthulakshmi Reddy Ninaivu Intercaste Marriage Assistance Scheme
11 & 12	Social Services Welfare	Chief Minister's Girl Child Protection Scheme I & II
13	Adi Dravidar and Tribal Welfare Scholarship Schemes	Government of India Post-Matric Scholarship Scheme for SC students
14		Government of India Post-Matric Scholarship Scheme for ST students
15		State Special Scholarship for Post Matric Students
16		Higher Education Special Scholarship Scheme

17	BC, MBC Scholarship Schemes	Educational Assistance to the students in Professional Courses
18		Educational Assistance to Graduates
19		Educational Assistance to Polytechnic Students
20		Issuance of Post Matric Scholarship
PHASE II		
Apart from the above mentioned services, as and when any new services are added to the e-district portal, those service will have inbuilt SMS based service tracking facilities.		

- **Benefits for the Citizens:**

- ❖ Significant improvement in Government-to-Citizen (G2C) interfaces
- ❖ Quick status update through their mobile devices
- ❖ Cost effective value added services
- ❖ Electronic delivery of services to meet citizens' expectations and requirements.
- ❖ Easy and Convenient mode of information service

- **Benefits for the Government:**

- ❖ Improvement in Government-to-Citizen (G2C) interfaces
- ❖ Increasing the scope of information reach
- ❖ Value added service to the Public (Improves the service levels)
- ❖ Reduces the time Government employees' spend on data activities, thus releasing more of their time for value-added, service-related activities.
- ❖ The Government utilizes the high tele-density of the State to provide citizen centric services to improve the service quality (The service coverage is high)
- ❖ Helps to achieve the objective of citizen centricity.

• **Project Cost - Summary**

- ❖ The approximate number of SMS to be sent for first year is calculated as 2 SMS each for 10% of Population of Tamil Nadu (7.2 Crores) to be served in the first year for the currently enabled 20 services.
- ❖ Subsequent years are calculated at 10% increase from previous year considering more awareness, more number of services (35) to be enabled and saturation of some of the service usage.
- ❖ Cost of SMS is assumed to be 10 paise (Rs.0.10) per SMS.

Accordingly, the application development and recurring cost for the "SMS Based Service Tracking" would be as follows:-

(Rs. in lakhs)						
S. No.	Particulars	Year 0	Year 1	Year 2	Year 3	TOTAL
1.	Application Development for SMS based Service Tracking for 20 Services already provided through e-District Portal	5.00	0.00	0.00	0.00	5.00
2.	SMSC short code Keywords- rental charges (for 20 services @ Rs.1,000/- per keyword per month) **	0.00	2.40	4.20	4.20	10.80
3.	SMS charges for Acknowledgements and Auto-Status Intimations ***	0.00	31.60	34.80	38.30	104.70
	TOTAL COST	5.00	34.00	39.00	42.50	120.50

**For the first year,

Rs. 1000 x 20 services x 12 months = Rs. 2.40 lakhs

Second year onwards,

Rs. 1000 x 35 services x 12 months = Rs. 4.20 lakhs

*** Explanation:

	(Rupees in Lakhs)			
	Year 0	Year 1	Year 2	Year 3
No. of SMS to be Sent	288 lakhs	316 lakhs	348 lakhs	383 lakhs
Cost per SMS	0	Rs. 0.10	Rs. 0.10	Rs. 0.10
Total Cost	0	Rs.31.6	Rs.34.8	Rs.38.3

- ❖ The Government will use Mobile service delivery infrastructure consisting of a Mobile Service Delivery Gateway (MSDG) that is fully integrated with the existing infrastructure created under the National e-Governance Plan (NeGP). For the Year 0, the services will be offered free of cost by utilizing MSDG infrastructure provided by the Government of India. From the Year first onwards, the services would be offered on chargeable basis, since the Government of India is likely to charge for MSDG infrastructure.

3. After careful examination of the proposal sent by the Chief Executive Officer, Tamil Nadu e-Governance Agency, the Government accord administrative approval for providing SMS Based Service Tracking System at a cost of Rs.1,20,50,000/- (Rupees One crore Twenty Lakhs and Fifty Thousand only). The Financial Sanction for the project will be accorded based on the proposal and performance during the previous year by the implementing agencies viz. Tamil Nadu e-Governance Agency for every year during the project period.

4. The Chief Executive Officer, Tamil Nadu e-Governance Agency is directed to send necessary proposal for according financial sanction for the project.

5. This order issues with the concurrence of the Finance (Industries) Department vide its U.O.No. 11983/Secy.(Expr)/Ind./2014-1, dated 28.2.2014.
